

## **First Baptist Church “The Faith Awakens”**

This R2D2 replica has travelled from a galaxy far, far away all the way to Mic Mac Mall. The imagery of being called out of your comfort zone and on a mission reminds us that we too are on a mission. Through an array of mixed vegetables, creamed corn, green beans, chick peas, spaghetti, and tuna, we are living this mission and the hidden message inside us will project out of all we do.

Team: Bryan Darrell

Jenny Csinos  
Ken Margeson  
Judy Whalen

Special thanks to the congregation at First Baptist Church Halifax, who funded and helped to build R2D2 both on the test run and the main event.
